RENEW PLANS FOR STREET PAVING

Council Outlines Future Work for Campaign for Better Street Improvement.

URGE WORK FOR DEEP WATER

Congressman Hayes Urged to Push Appropriation for Deepening of Redwood Creek.

All of the Trustees except Mr. Beeger were present at the adjourned meeting of the City Council Monday evening, which although held primarily for the consideration of the pressing question of street improvement managed to dispose of a considerable amount of general business before adjournment.

Trustee Hynding, chairman of the street committee, reported that the committee had made careful investigation of the streets in special need of improvement and the character of work deemed most advisable under existing conditions for each. As a result of the investigation he submitted the following list of streets which are recommended for improvement nuder the bonding plan with the estimated cost of each:

Street	Length	Width	Total Sq Ft	Cost Sq Ft	Total Cost
Walnut	1350	40	54000	10c	$5400
Maple	700	40	28000	10	2800

Winslow	200	56	11200	15	1680

Where the cost of improvements is estimated at the rate of 10 cents per square foot the class of work provided for is the ordinary macadam with an oiled surface, while the 15 cent rate is for the reinforced concrete pavement. Although the entire amount of the estimate was slightly larger than the sum originally intended, it was the general opinion that the necessary bonds could be disposed of and that the work recommended should be proceeded with as rapidly as possible. At the same time suggested that the streets surrounding the Courthouse grounds — Webster, Hamilton and East Marshall—should be given the better class of pavement, as with the occupation of the new county building these will be given hard wear.

Trustee Hynding also reported that he had conferred with the management of the Frank Tanning Co. in regard to replacing the old city water main and that manager Steinberger had agreet to bear all the expense of laying provided the city furnished the pipe. Considersidering the offer an advantageous one, he had accepted the offer and ordered the pipe hauled to the ground. The action was approved.

Trustee Hynding reported that he had secured from Chirman McEvoy of the Board of Supervisors permission to store the unused city water wagon in the shed at the county jail.

C. G. Landscheit appeared and asked that water extensions be made in Wellesley Park, stating that a prospective purchaser proposed the erection of an expensive residence. He was assured the extension would be made when required.

At the request of H. C. Tuchsen, permission was given to lay lateral sewer connections in the streets of Dingee Park. It is the design of the management of the property to complete this work before the improvement of the streets.

At the suggestion of Mr. Tuchsen the street superintendent was instructed to lay water mains in Iris, Jeter, King, Lowell, Myrtle, Nevada and Hopkins streets before the streets are paved.

A claim of $739.12 for extra work on the new reservoir at the request of the city was allowed. The greater portion of this expense resulted from the change in the location of the reservoir which gave greater elevation and increased water pressure.

Mayor Merrill imformed the Council that Lohman & Co. expected to comthe specifications for the electric fire alarm system within the next week.

Mr. Merrill also stated that he had in receipt of a communication from the Board of Fire Underwriters offering to make an inspection of the improvement in the water system with a view to a readjustment of insurance rates. After consultation with the secretary of the Board he had advised delay until after the installation of the fire alarm system.

At the suggestion of Trustee Hynding Clerk Plump was directed to communicate with Congressman Hayes and express the appreciation of the Council for the work done in behalf of the project for the improvement of Redwood Creek and to urge that he continue all possible effort to secure the appropriation.

A communication was presented from the Board of Trade of San Mateo requesting the Council to endorse the proposed Panama-Pacific Exposition at San Francisco and to urge upon the Board of Supervisors the levying of a tax for the purpose of erecting a county building. While the Trustees favored the exposition they were not captivated with the idea of a county building, believing the exposition should take a wider scope and more modern plan. For this reason consideration of the request was laid over pending development of the plans of the exposition management.

REMINISCENSES OF OUR PIONEER DAYS

Gleanings From the Records Left By Men Who Laid the Foundation of Our County.

SPEEDY PACE FOR BIKE RIDERS

Hon. Horace Hawes Adds Another to List of His Benefactions to Public Schools

Over indulgence in "booze" was the cause of another serious affray, which came near resulting in the death of one of the participants, in the latter part of March, 1869. The principals in this difficulty were Benjamin Gillum, a man who was the clerk and barkeeper at the Summit Springs Store, at the summit of the mountain on the Redwood City and San Gregorio turnpike, and a man by the name of Sellers, who had been working on the turnpike and for a time had been boarding with Gillum. Just what caused the inception of the trouble, outside of the over indulgence in liquor seems to have been something of a mystery, from the fact that the stories of the principals and witnesses of the fray differed very materially. It appears to have been certain that there was some shooting, as Sellers received a nasty wound in the face from a pistol shot which it was not denied had been fired by Gillum. After the shooting Gillum came to this city and gave himself up to the Sheriff. The following day the district attorney and Justice Keith went up to the scene of the trouble and made an investigation with the result that Gillum was released, the decision being that he had acted in self defense and that Sellers was the agressor.

Perhaps those who find fault with the speed attained by riders of bicycles these days will be interested to note what was considered an exceedingly remarkably rapid trip made from San Francisco to Redwood City in the early part of 1869 by the owners of what was then considered the latest models of machines of this character. According to a report which was published at that time in all seriousness—though it may seem rather funny at present—an unusual excitement was caused in town by the arrival one Sunday afternoon about half-past 3 o'clock of two strangers on velocipedes, who had ridden from San Francisco and dismounted in front of the Ameican Hotel. The strangers proved to be James G. Carson and John W. Parker, two young men who were employed at the Vulcan Iron Works at San Francisco. The two left San Francisco at 8 o'clock in the morning, and thus were just a little over six hours in making the trip—or in other words attained the remarkable speed of five miles an hour. With this record they claimed to be the champions of the state, both for endurance and speed. Evidently they had a sufficiency of the experience for one time at least, as they did not attempt the return trip on their machines but took the evening train for home.

Certainly the Hon. Horace Hawes figured as one of the leaders of public spirit in this city during its early history, and especially as one ever ready to contribute to the cause of public education. To his generosity the town owed the lots upon which its school house was built, as well as a considerable portion of the money paid for the erection of the building. Still feeling that sufficient had not been done for the rising generation of the city and with a desire to make the school more attracrive to its pupils, in the early part of April, 1869, Mr. Hawes came forward with an offer of a gift of $2500 in cash to be used for the purpose of erecting a gymnasium on the school grounds and the building of a suitable fence to inclose the lot. It is needless to add that the generoys offer was accepted by the trustees and the building was erected within a short time.

Redwood City's first brass band was organized on the 1st of May, 1869. This organization was known as the Redwood City Cornett Band and started with 12 members, who were under the direction of Prof. Rolla, a musician and instructor whose home was at Belmont.

The annual election for the town officers of Redwood City was held on the 3d of May. The officers selected were: A. Teague, John Crowley, S. S. Merrill, J. S. Keith, and J, V. Diller, trustees; J. C. Edgar, marshal; W. Whitlock, assessor; William P. Wallace, treasurer. There was some little of a contest at this election, for the first time since the incorporstion of the town, but these officers receive the greater portion of the votes cast.

At the meeting of Bay View Lodge, I. O. O. F., held June 29th officers for the approaching term were elected as followes: B. F. Cooper, noble grand; A. H. Ackerman, vice grond; C. A. Kirkpatrick, recording secretary; John Shelly, permanent secretary; T. W. Lathrop, treasurer; H. A. Scofield, G. W. Fox and A. Teague, trustees.

CITY OFFICIAL PAPER

D. E. O'KEEFE, Editor and Proprietor

Public improvement means private betterment. Vote in favor of the issuance of bonds on February 15th. and vote for a better and more progressive city.

It would be as reasonable to expect a merchant to successfully conduct his business without a suitable storeroom in which to display his goods as to demand that the business of a city should be transacted without a proper City Hall in which to house its officials.

By far the greater portion of the cost of the public improvements proposed to be made with the issuance of bonds will be spent among our own citizens for labor and material. Thus both the laborer and merchant of Redwood City will be the gainer, while the city will reap the advantage of every dollar invested.

In its California Development Edition issued last Sunday, the San Francisco Chronicle contains an excellent "write-up" of Redwood City, describing but not exaggerating its many advantages as a commercial and residential city. Such articles as this will do much to call the attention of the world to this section and should be given a large circulation. The Chronicle deserves the appreciation of our people for this enterprise.

The Law Is Specific.

The law of this state provides that "any person, who, within this state, engages in, instigates, aids, encourages or does any act to further a contention or fight without weapons, between two or more persons, or a fight commonly called a ring or prize fight, either within or without the state or who engages in a public or private sparring exhibition, with or without gloves, within the state, or who sends or publishes a challenge or acceptance, or a challenge for such a contention, exhibition, or fight, or carries or delivers such a challenge or acceptance, or trains or assists any person in training or preparing for such a contention, exhibition or fight, shall be guity of a felony, and upon conviction shall be fined not less than one thousand dollars nor more than five thousand dollars and be imprisoned in the state prison not less than one year nor more than three years.

It is too well known to admit of dispute that all the fights held in this county under licenses or permits for sparring exhibitions have been what are commonly known as "ring or prize fights." It is equally well known that it is the intention of the "fight promoters" who now hold, as well as those who are seeking fighting permits from the Board of Supervisors, to continue to pull off the same kind of prize fights in the future as they have in the past. Knowing this, how can our supervisors grant permits for pretended sparring exhibitions to Coffroth's and Hester's without rendering themselves liable to punishment under the law for aiding, encouraging and furthering prize fights," pure and simple. The fact that they are the legislative body of the county cannot relieve them as individuals of responsibility for the violation of the statute. County ordinances must conform to the state laws, other wise they are void. We don't have to dig very deep into musty law tomes to find out what a prize fight is. In a late case the Supreme Court of Louisiana drew the distinction in plain terms between a prize fight and a sparring exhibition as follows: "Prize fighting simply means fighting for a prize or reward, and any contest in which the fighters are offered or promised a prize or reward to the victor or either of them is a prize fight with in the meanng of the law making such contests unlawful. The particular features of the contest cannot remove it from the prohibition of the statute: any fight for a reward being a prizefight, without regard to whether the contestants wear gloves how they are clothed or what rules govern the contest:

Now as to a sparring exhibition: The same court says: "A glove contest as distinguished from a prize fight, is a mere exhibition of skill in sparring with gloves, not calculated to do great bodily injury, instead of a contest continued until one of the contestants succumbs from exhaustion or injuries received." It is plain that neither Coffroth or Heste would have come into San Mateo County to obtain permits for lawful sparring exhibitions" if such permits are really what they want. To give them such permits in this county and then allow them to conduct 'prize fights" under them is a disgrace to the County, and criminal on the part of those who authorize and permit such affairs, and a flagrant evasion of the law.

Bridget E. Dunn of Colma has brought suit in the Superior Court through her attorney, Henry Ward Brown, against the School House Land Association and others to quiet title to lot 5, block 12, in the School House Land Association, Colma.

Doings of Sequoia Students.

The music section of the Sequoia Union High School have prepared a most charming evening of music and mirth for Thursday night February 10th. The first part of the night's program will be the rendering of Bendall's Lady of Shalott by a chorus of fifty girl's voices, assisted by Mrs. Gish (Millie Flyn) for sixteen years San Francisco's best known and best paid soprano, whose services we are very fortunate in obtaining. The second part will be the rendering of Booth's Bogur School Inspector, by fourteen roughouse boys with Mr. Meyers as the bogus school inspector and D. M. Carrington as the village school master. The proceeds of this concert will go to buy new music for Sequoia.

The Sequoia Music Club, a High School organization, held a regular meeting in the Assembly Hall on Monday aftrenoon. The following program was given:

Piano solo—Hearts and Flowers—Irene Dickey.

Piano duet—A Christmas Dream—Luella Behrens and Carolyn Doxsee.

Mr. Carrington played two of his own compositions. This club meets every two weeks and gives a short program, the object being to encourage music among the scholars.

Bowie Estate Brings Two Suits.

The Bowie Estate Company and others have commenced an action against Edgar W. McLellan for the cancellation of a lease executed in Juneu 1902 and to run for a period of ten years. The property so leased consists of a tract of land along the bay shore near San Mateo The complaint alleges that McLellan dug up large quantities of shell and shipped it away contrary to the terms of his lease and thus violated the same, Plaintiff asks for the restitution of the premises and for damages in the sum of $100 per month from November 1, 1909, costs of suit and reasonable attorney fees.

The Bowie Estate Company and others have also brought suit against the Santa Ynez Land Co. and others to foreclose a mortgage on property known as the Ynez Park a portion of the City of San Mateo. The amount sought to be recovered is $31,830.77 and interest at the rate of 8 per cent per annum from May 21, 1909. The amount advanced by plaintiffs is $42,000 and the mortgage was to have run for a period of eleven months. The property is very valuable being a portion of the best building sites in San Mateo

Sheriff's Office, County of San Mateo, State of California. ss.

L. Macomber vs. Oliver Kehrlein.

By virtue of an execution issued out of the Superior Court of the City and County of San Francisco, of the State of California, wherein L. Macomber, plaintiff, and Oliver Kehrlein, defendant, upon a judgment rendered the 10th day of January, A. D. 1910, for the sum of two hundred fifty-six 02-100 ($256.02) dollars, in gold coin of the United States, besides costs and interest, I have this day levied upon all the right, title, claim and interest of said defendant, Oliver Kehrlein, of and to the following described real estate, to-wit:

All that certain parcel of land situate, lying and being in the County of San Mateo, State of California, and more particularly bounded and described as follows, to wit:

Beginning at a point in the center of the avenue known as Isabel Avenue, said point of beginning being the following courses and distances from a 4" x 4" redwood stake set in concrete to mark the point of intersection of the division line between lots 1 and 2 of Valparasio Park with the southwesterly side of the main County Road: S. 31° 54' W. 22.18 chains, S 58° 20' E. 3.18 chains; S. 32° W. 0.76 chains to said point of beginning; thence on and along said center line of Isabel Avenue S. 32° W. 4.94 chains; S. 36° W. 0.38 chains to the most northerly corner of the 6 38-100 acre tract sold to Ella F. M. Redding; thence leaving said Avenue S. 58° 2' E. 8.67 chains; thence N. 33° 23' E. 6.03 chains to a stake; thence N. 58° 20' W. 6.01 chains to a stake; thence S. 31° 40' W. 0.76 chains to a stake; thence N. 58° 20' W. 2.82 chains to the point of beginning; containing 5 09-100 acres of land and being a portion of lot 2 of Valparasio Park and of the Rancho de las Pulgas.

Therefore notice is given that I will on Saturday, the 19th day of February, A. D. 1910, at 11 o'clock A. M. of said day, in front of the Court House door of the County of San Mateo, in the town of Redwood City, in said county, sell to the highest bidder at public auction for gold coin of the United States, all the right, title, claim and interest of said defendant, Oliver Kehrlein, of, in and to the above described property, or so much thereof as may be necessary to raise sufficient money to satisfy said judgment, with interest and costs.

ROBERT S. CHATHAM, Sheriff.
By F. T. Bartlett, Under Sheriff.

MASONIC OFFICERS ASSUME STATIONS

Redwood City Lodge No. 168 F. and A. M. Holds Annual Installation of Officers

The lodge room of Redwood City Lodge No. 168, Free and Accepted Masons was filled to its utmost capacity by members of the lodge and their invited guests last Friday evening, assembled to witness the installation of the officers of the lodge for the ensuing Masonic year. Invitations to witness the affair, which was one of the most notable of its character in the history of that organization, had been issued to the members of the lodges at Palo Alto, San Mateo, Burlingame and South San Francisco and to the members of Sequoia Chapter, Order of the Eastern Star, as well as to sojourning Master Mason and the wives of the members of the order. Representatives of all of the organizations named had accepted the invitations and with the visitors present from other lodges, the gathering represented no less than thirteen lodges in addition to the members of Redwood City Lodge. When these guests, a large proportion of whom were in evening dress, had assembled the lodge room presented a beautiful and animated appearance.

Promptly at 8:30 the hour set for the commencement of the ceremonies, the assemblage was called to order by Past Master Frank K. Towne, who with the assistance of Past Master T. O. Heydenfelt, acting as Grand Master of Ceremonies, conducted the beautiful ceremony of installation. An especially interesting feature of the ceremony was the music of the Batkins Orchestra, which rendered a number of appropriate songs following the seating of each officer.

The officers installed were as follows: Roy W. Cloud, worshipful master; Ernest H. Werder, senior warden; R. F. Chilcott, junior warden; L. P. Behrens, treasurer; W. H. Kelso, secretary; J. E. Cowgill, senior deacon; J. E. Ensor, junior deacon; J. J. Rogers, marshal; George H. Leary and George P. Baldwin, stewards; John W. Glennan, tyler.

At the conclusion of the installation ceremonies the guests and members spent an hour in social converse and the renewal of acquaintances among the visitors, the time being pleasantly interspersed with entertaining songs by the quartette, who were ever ready to add to the pleasure of the evening. After this the guests were invited to the banquet and headed by the newly installed officers and their ladies, filed into the handsomely prepared dining room, where an elegant repast had been set by Caterer Chris Stader, consisting of the following:

MENU

Oyster Cocktails

SALAD

Shrimp, a la Mayonnaise

RELISHES

Olives Radishes Almonds

SOUP

Consumme

MEATS

Ham Cold Tongue

ENTREES

Chicken Fricassee

VEGETABLES

Cream Potatoes

DESERT

Vanilla Ice Crean

Lady Fingers

Fresh Fruit Cheese Cafe Noir

Once again did the Batkins quartette contribute to the enjoyment of the hour, rendering an entertaining medley of song between the service of the various courses. While a considerable list of toasts had been prepared by Worshipful Master Cloud, who presided over the banquet, so much time was consumed in the service and discussion of the viands that it was found necessary to considerably curtail this portion of the promised entertainment. Yet a number of interesting addresses were made by distinguished visitors and members of the lodge. The committee to whose efforts the success of the evening's entertainment was due consisted of Messrs. Roy W. Cloud, R. F. Chilcott, F. K. Towne, J. E. Ensor. E. H. Werder, J. E. Cowgill, W. H. Kelso and E. B. Fox; while the committee especially in charge of the banquet consisted of F. K. Towne, E. H. Werder and W. H. Kelso.

This is the second term for which Mr. Cloud has been called upon to preside over the lodge as its Master, and that his past administration of its affairs has been successful is attested by the present prosperous condition of the organization, which now has a membership larger than at any time in its history, and has achieved a reputation in the district for its care in the rendition of its work.

PLANS FOR BIG IMPROVEMENTS

Southern Pacific Railway Makes Extensive Invesments in Peninsula Realty.

[From the Palo Alo Times]

The most important realty deal that has occurred on the peninsula in a long time was consummated here Tuesday. This deal is the purchase by the Southern Pacific Company of the property of the Port Palo Alto Investment Company, a tract of land comprising 400 acres and extending from Palo Alto to Cooleys Landing and to within a short distance of the Dumbarton bridge. The property includes Woodland Place, already laid out as a townsite, the Crow place and portions of the former holdings of the Cooleys. The property is valued at $500 an acre and thus represents a transaction amounting to $200,000, although the actual price paid is not made public.

This property was purchased a couple of years ago by J. F. Parkinson, who organized the Port Palo Alto Land Company to improve the land and place it on the market. The financial depression made the time inopportune to promote the enterprise and little was done for sometime. Last autumn a portion of the tract known as Woodland Place was platted and excursions were held, but there was a slow demand for the lots.

One of the features intended was the creation of a pleasure resort and the erection of a fine casino at the site of the Crow residence. It was also purposed to build a wharf at Cooleys Landing and develop bay transportation.

University avenue was extended through the Hopkins tract and a bridge built across the creek. From there this avenue extends direct to the landing. The distance from the business center of Palo Alto is about two miles.

For what purpose the Southern Pacific has acquired this property is not yet announced. Itlies, however, very convenient to the western end of Dumbarton bridge and will give the company room for any enterprise it may have in mind. It has been generally understoon that the Peninsular Railroad Company (which is owned by the Southern Pacific) is to extend its electric line from Palo Alto to Dumbarton bridge on a direct line through this property. It is also more than possible that a steam line may be built from the bridge to connect direct with the Mayfield-Santa Cruz shortline, in oredr to give more facility in moving freight and passenger trains. Further purposes than these can only be surmised at present.

The announcement made Tuesday in The Times concerning the important realty deal involving the ownership of the Port Palo Alto tract of 470 acres is confirmed by the announcement that the Peninsular Railway Company is at once to extend its Palo Alto electric line to Cooleys Landing and the Dumbarton bridge.

Through this deal the property comes under the management of the Ravenswood Investment Company, with T. C. Barnett of San Jose as president and S. E. Weaver or Palo Alto as secretary. J. F. Parkinson, as the largest stockholder in the company, will be made a member of the board of directors.

The property included in the deal comprises four tracts—the Crow ranch of 162 acres, the Geraldine Frisbie tract of 160 acres, two tracts purchased from C. P. and W. L. Cooley, each containing 72 acres, and a strip of land 300x900 feet extending to the old wharf at Cooleys Landing. The southerly portion of the tract is 2,000 feet from the city limits of Palo Alto and the tract adjoins for some distance the Southern Pacific right of way from Dumbarton bridge to Redwood City. The Spring Valley pipe line and the Standard Electric power line pass through the property.

Bonds in the sum of $200,000 were issued against the property, and these have been placed. This permitted the company to pay off all claims against the land and to complete the option under which it was purchased three years ago. All the papers in connection with the transfer were filed yesterday both in Redwood City and San Jose.

The first move in the development of the property, it is announced, will be the electric line extension, work on which will be begun within thirty days.

Doings at Colma.

The Knickerbocker Whist Club will hold its next meeting at the home of Miss Oliveri on next Tuesday evening. At the last meeting of the Club at the residence of Mrs. Alice Smith the first prizes were won by Mrs. W. J. Sweeney and Peter Bennasini.

The meetings of the Crocker Tract Impovement Association are now being held at the Grace Presbyterian church. Meetings are held every Monday evening.

Notice has been received by Postmaster Johnson that the Vista Grande postoffice will be made a money order office as soon as arrangements can be completed by the department.

The Colma people are busy trying to straighten out the tangle about the lights. The Improvement Club has held several meetings and appointed committees to appear before the Board of Supervisors next Monday the 7th inst., when the contract for furnishing lights to the district are to be opened and awarded. It is proposed to let the contract for five years. Many are opposed to so lengthy a contract. They think that a contract for two years is sufficiently long, as improvements are rapidly being made in electric ligth ing they fear that the system, if the contract is let for five years, will become antiquated and obsolete. Many favor arc lights at certain point in the district, instead of Tungsten lights. As more than half of the fiscal year has alread expired, there is enough money in the lighting district treasury to install and equip a thorough lighting system: and next years assessment can be made amply sufficient to maintain it on first class shape.Colma people wantthe north end to grow.They want the property to improve and not to lag behind the Crocker tract and Vista Grande. They want improved streets and sidewalks and sewers, besides lights,and as they cannot get them from the supervisors either a sanitary district or incorporation can be soon expected. Now that the Four Hundred on the hills back of San Mateo and Burlingame are in favor of incorporating a city to be called "Hillsboro")(note the word is docked—also the tails of the horses), perhaps those in Colma who have so long opposed incorporation of the town may fall into line and pattern after their wealthier neighbors of the aristocratic hills back of San Mateo and Burlnigame.

The Bethany Evangelical Congregational Church of Montara has incorporated for the promotion of religious worship at Montara. Services are to be held in a hall at Montara. The directors are as follows: E. L. Salisbury, Frank E. Litlefield, Rudolph Bossert, William B. Plumb and J. L. Kent.

MANY EXTENSIONS OF POWER LINES

Extensive Plans for Distribution of Electric Energy Over the Bay District.

A considerable curiosity has been manifested by the citizens of San Mateo County concerning the power line which is now being built by the Sierra and San Francisco Power Company along the eastern edge of the County. We have ascertained from officials of the Company certain facts connected with this proposed development.

The Sierra and San Francisco Power Company is a corporation incorporated in San Mateo county, and has acquired all the property formerly belonging to the Stanilaus Electric Power Company. This power development is from the waters of the Stanilaus river in Tuolumne and Calaveras counties, and the works are said to be the most modern and complete of any long distance transmission development yet erected. The Company has, since 1905, been constructing extensive dams at the head waters of the Stanilaus river for the purpose of impounding the storm waters, and one of these dams, at what is known as Relief Creek, is now complete. From this dam the water, by the natural bed of the river and fifteen miles of flume, is conducted about fifty miles to the powerhouse, which is about fifteen miles from Angels Camp, Calaveras County. Here there has been constructed a large forebay or petty reservoir which will hold water sufficient for a considerable time of service, so that in event anything happens to the upper works there will be no interruption in the generation of power. From this reservoir to the powerhouse there is an almost perpendicular drop of 1500 feet. In the powerhouse are erected and now being installed, four generators capable of generating 9,000 horsepower each, or a total of 36,000 horsepower.

A single line as far as the Mission San Jose was completed about a year and a half ago, and electric current has been constantly transmitted over this line since its installation. It is a remarkable tribute to the completeness and thoroughness of this equipment that there has not been any interruption of service since the power was turned on.

The transmission cables are placed upon steel towers, about sixty feet high and sunk into the ground about six feet. In marshy ground the towers are laid in concrete beds. So thoroughly has this work been done that the Company's engineers claim that since the towers were erected about two years ago, notwithstanding the unprecedented storms in the San Joaquin valley, there has not been even a jog in any of the towers, nor has there been a moment's interruption of service through any defect in their construction.

The Company has bought a large tract of land in this County, near the San Francisco line, formerly belonging to the Partridge estate and is now constructing there a large transforming station so that power may be conducted to various places. It has a contract with the United Railroads of San Francisco to supply them for a long term of years with power, and it announces also that in addition to this contract it will be in the market generally for the supply of power throughout the bay counties. For that reason it is now acquiring rights of way for a second transmission line paralleling the first. A representative of the Company states that there are about five rights of way unsecured in San Mateo County, and these are involved in condemnation suits which the Company is endeavoring to force to a trial as rapidly as possible in order that the line may be completed at the earliest possible date.

They state that they have made satisfactory adjustments with over five hundred property owners along the line and believe that the communities through which the line runs have felt that it was a decided benefit to them.

This corporation has proceeded very quietly with its work and has apparently made no pretensions to public notice; but from these statements it would seem that anyone who cared to look into this large and complete equipment would be satisfied that there has been done here, at great expense, a masterly feat of engineering which will be of lasting and permanent value to this section of the state.

COUNTY FATHERS IN EXTRA SESSION

Board of Supervisors Hold An Adjourned Meeting and Do Much Business

The Board of Supervisors held an adjourned meeting last Tuesday. All the members were present.

On motion of Casey seconded by Blackburn a resolution was adopted abandoning a portion of the old San Pedro and Halfmoon Bay road over the San Bruno mountains. Mrs. Tobin gave a deed to a right of way. The clerk was authorized to advertise the resolution.

The report of the auditor was accepted and filed.

The application of Sid Hester for a permit to conduct boxing contests on the mission road was taken up. E E.Cunningham in an eloquent speech opposed the granting of the permit. He claimed that prizefights had a demoralizing influence and were a detriment to the growing population of the First township.

D. D. Kearns appeared on behalf of Mr. Hester and madea strong argument in favor of granting the application. He said Mr. Hester would give one exhibition and then retire from the field.

The ordinance regulating boxing contests was read. It was shown that contests must be given by domestic clubs. On this account action was deferred until next Monday.

The reports of the treasurer, auditor and chairman of the Board of Supervisors were read and filed.

This being the day set for hearing, the charges by the Grand Jury against M. Millett were taken up. Foreman Geo. A. Kertell of the Grand Jury said Millett was conducting a saloon at the county line without a license, said license being in the name of Maud Earl. Kertell explained that the name of M. Millett, proprietor, was on the windows of the saloon and the same also appeared in the telephone directory. He presented two affidavits of men who alleged to have been robbed in the place, but this was objected to by Judge Fitzpatrick who appeared for Millett. Mr. Fitzpatrick said that only competent evidence should be produced, for much was at issue. After considerable wrangling the matter was deferred until next Monday.

At the afternoon session P. H. McEvoy was absent and Coleman was chosen temporary chairman.

The United Gas and Electric Company was given a permit to excavate the County road at Five Points for laying gas mains.

The Park Commissioners' request to be permitted to secure the old chairs at the courthouse to be placed in California Square was referred to Supervisor McEvoy.

The request of the superintendent of the Crocker tract to erect a tank on the Count road to supply the tract with water was referred to Supervisor Casey.

The communication of Walter S. Martin complaining of the poor condition of the Millbrae road was accepted and filed.

The communication from the Chamber of Commerce of San Mateo, asking that all improvement clubs and kindred societies meet and prepare for the Panama-Pacific Industrial Exposition so that a proper building may be erected and a good exhibition made, was filed.

The new boundries of the thirty-five voting precincts of the county were adopted by the board.

The communication of Ross & Ross to the board in reference to the collection of the 2 per cent on county money went over until the next meeting.

For Sweet Charity's Sake.

The local members of the Elks are all looking forward to Monday and Tuesday nights of next week when there will be an exodus to San Mateo to attend the Imperial Elk's Minstrel in a death defying exhibition of nerve. Of our fellow townsmen who will participate is R. F. Chilcott, he takes the part of a hitching post in the olio. There is a big fight on now in the Buck and Wing dance contest, some of the Elks who have seen the rehearsals claim that Guy Hull is there a million, while others that Frank Bartlett make him look like a 1910 comet without its tail, when it comes to dancing.

From accounts of rehearsals and the enthusiasm displayed by the Elks participating, an excellent production is assured, this will be due to the fact that some real singers and dancers have been secured to help out in the rough places. The songs are all of the catchy kind and the boys are taking hold of them with a vim.

J. V. Neuman our esteemed County Surveyor is down for a song, "Hang out the front door key," that is if his wife and the audience will stand for it.

The local boosters for the show state that $10.00 worth of amusement is being given for o $1.00. Advance sale of seats commences Friday, Feby. 4th at Baskette Drug Co., San Mateo

Johnny Poole won out in the beauty contest. It having been decided that the handsomest man would lead the big parade on Monday, Feby. 7th, he had a pretty hard race given him for this honor by P. P. Chamberlain and Johnny Johnston for it was hard for the judges to come to a decision.

ORDINANCE NO. 90.

An Ordinance calling a special election in the Town of Redwood City, County of San Mateo, State of California, for the purpose of submitting to the qualified voters of said Town certain propositions to incur a bonded indebtedness to pay the cost of certain municipal improvements in and for said Town, the cost of each of which will be too great to be paid out of the ordinary annual income and revenue of said Town.

Whereas, the legislative branch of the Town of Redwood City, a municipal corporation of the sixth class, did, on the 20th day of December, 1909, by a vote of two-thirds of all the members of said legislative branch determine, in due and proper form, that the public interest and public necessity of said Town of Redwood City, and of the inhabitants thereof, demand certain public municipal improvements in and for said Town of Redwood City, to-wit:

1. The acquisition of land for a right of way for the extension of Phelps Street from Main Street to Jefferson Avenue in said Town of Redwood City;

2. The acquisition, construction and completion of a building for municipal uses, to-wit, a Town Hall;

3. The acquisition, construction and completion of a concrete retaining wall along the westerly side of the County Road from the northerly line of the intersection of the County Road and the Woodside Road to a point where the said County Road intersects Main Street in said Town of Redwood City;

4. The acquisition, construction and completion of concrete bridges on the County Road in said Town of Redwood City at the following places, to-wit:

One at the intersection of the County Road and Redwood Avenue in said Town of Redwood City;

One at the intersection of the County Road and Oak Avenue in said Town of Redwood City;

One at the intersection of the County Road and Roosevelt Avenue in said Town of Redwood City;

One at the intersection of the County Road and Main Street in said Town of Redwood City;

One on the County Road 690 feet northwest from the intersection of the County Road and Jefferson Avenue; And one on the County Road 1060 feet north-west from the intersection of the County Road and Jefferson Avenue, in said Town of Redwood City, and to issue the bonds of said Town therefor as herein set forth.

And Whereas, the executive of said Town of Redwood City, did, on the 20th day of December, 1909, duly and regularly approve such action of such legislative branch:

Now, Therefore, The Board of Trustees of the Town of Redwood City do ordain as follows:

Section 1. A special election is hereby called and shall be held in said Town of Redwood City, California, on Tuesday the fifteenth day of February, 1910, to submit, and at which election shall be submitted, to the qualified voters of said Town the following propositions to incur indebtedness in said Town, to-wit:

1. The proposition to incur a bonded indebtedness of fifteen thousand ($15,000.00) dollars, in gold coin of the United States of America, for the object and purpose of paying the cost of the acquisition of land for a right of way for the extension of Phelps Street from Main Street to Jefferson Avenue in said Town of Redwood City, and to issue the bonds of said Town therefor as herein set forth;

2. The proposition to incur a bonded indebtedness of fifteen thousand ($15,000.00) dollars, in gold coin of the United States of America, for the object and purpose of the acquisition, construction and completion of a building for municipal uses, namely, a Town Hall, and to issue the bonds of said Town therefor as herein set forth;

3. The proposition to incur a bonded indebtedness of five thousand ($5,000.00) dollars, in gold coin of the United States of America, for the object and purpose of the acquisition, construction and completion of a concrete retaining wall along the westerly side of the County Road from the northerly line of the intersection of the County Road and the Woodside Road to a point where the said County Road intersects Main Street, in said Town of Redwood City and to issue the bonds of said Town therefor as herein set forth;

4. The proposition to incur a bonded indebtedness of seven thousand five hundred ($7,500.00) dollars, in gold coin of the United States of America, for the object and purpose of the acquisition, construction and completion of concrete bridges on the County Road in said Town of Redwood City, at the following places, to-wit:

One at the intersection of the County Road and Redwood Avenue; One at the intersection of the County Road and Oak Avenue; One at the intersection of the County Road and Roosevelt Avenue; One at the intersection of the County Road and Main Street; one on the County Road 690 feet north-west from the intersection of the County Road and Jefferson Avenue; And one on the County Road 1060 feet north-west from the intersection of the County Road and Jefferson Avenue, in said Town of Redwood City, and to issue the bonds of said Town therefor as herein set forth.

Section 2. The estimated cost of the land for a right of way for the extension of Phelps Street from Main Street to Jefferson Avenue, in said Town of Redwood City is fifteen thousand ($15,000.00) dollars; and the estimated cost of said building for municipal uses, namely, a Town Hall, is fifteen thousand ($15,000.00) dollars; and the estimated cost of said concrete retaining wall along the westerly side of the County Road, from the northerly line of the intersection of the County Road and the Woodside Road, to the intersection of the County Road and Main Street, in said Town of Redwood City, is five thousand ($5,000.00) dollars; and the estimated cost of said concrete bridges on the County Road in said Town of Redwood City, one at the intersection of the County Road and Redwood Avenue; one at the intersection of the County Road and Roosevelt Avenue; one at the intersection of the County Road and Main Street; one on the County Road 690 feet north-west from the intersection of the County Road and Jefferson Avenue; and one on the County Road 1060 feet north-west from the intersection of the County Road and Jefferson Avenue, shall issue as follows, to-wit: said bonds shall be negotiable in form, and shall be of the character known as serials, and shall bear the rate of interest, and be paid, as hereinafter provided.

The bonds authorized to be issued pursuant to said election shall bear interest from their issuance until paid, at the rate of five (5) per cent per annum, payable semi-annually, and the principal and interest of said bonds shall be payable in gold coin of the United States of America in the manner following, that is to say: one fortieth part of the whole amount of the principal of said indebtedness created under one or more of the said four propositions shall be paid each and every year, at the Town Treasury of said Town of Redwood City, on a day and date to be hereafter fixed by the legislative branch of said municipality, together with the interest on all sums unpaid at such dates; provided that the interest on said bonds shall be paid semi-annually so that there shall be a payment of interest on all sums then unpaid in each and every half year, one of such semi-annual payments in each year being at the date of payment of the annual installment of the principal of such indebtedness as aforesaid; and provided further, that said interest shall be evidenced by the proper coupons attached to said bonds, a separate coupon being attached to each bond for each semi-annual payment of the interest to become due on such bond.

And it is further ordered that the total indebtedness authorized to be created at said election shall be represented by bonds payable in manner aforesaid, and that said bonds shall be issued in such denomination or denominations as the Board of Trustees of said Town shall authorize, and that said bonds shall be known as municipal improvement bonds.

Section 4. It is further ordained that the manner of holding said special election, and of voting thereat for and against incurring said indebtedness shall be as provided in this Ordinance, and that in all particulars not recited herein such election shall be held as provided by law for holding municipal elections in such municipality, and that in particulars not recited herein and not provided by law for holding such municipal elections, the general election laws of the State of California, so far as the same may be applicable, shall apply.

Said election shall be conducted by the Board of Election consisting of two Inspectors, two Judges, two Clerks, and two Ballot Clerks, whose duties and powers shall be the same as those of Boards of Election and of such election officers, respectively, under the laws governing municipal elections, and in particulars not covered by such laws, then under said general election laws of said State.

If any of the members of asid Board hereinafter named fail to attend at the opening of the polls on the morning of such election, the electors of the precinct present at that hour may supply the place of any such absent member by appointment, as provided by said general election laws. At said special election the polls shall be opened at six o'clock on the morning of the day of election, and must be kept open, and will be kept open, until six o'clock in the afternoon of the same day, when the polls shall be closed.

That for the purpose of said special election, the said Town of Redwood City shall be, and the same is divided into and regularly established as one election precinct, to be known as and designated "Redwood City Municipal Election Precinct," the boundaries of which precinct shall be and are hereby, fixed as and at, and co-extensive with, the exterior boundaries of the Town of Redwood City.

In said precinct, to-wit, said Town of Redwood City, the polls will be held in the Town Hall, on Main Street, on the ground floor thereof, said place being one in which elections have usually been held and being in said precinct. And the said election will be conducted by the Inspectors, Judges, Clerks, and Ballot Clerks, respectively, hereinafter named, as follows, to-wit:

Inspectors: Jas. E. Van Court and Jno. W. Glennan; Judges: Wm. H. Lipp and John Curran; Clerks: Jos. Winter and W. J. McGarvey; Ballot Clerks: Henry Offerman and Chase Littlejohn.

Said polling place has been found, and is hereby determined to be a suitable and proper place for holding such special election, and said several persons have been found, and are hereby determined to be, qualified for said respective positions as required by law, and they are hereby appointed such officers to conduct such election and constitute said Board of Election; and said Board of Election and said officers shall conduct, and are hereby directed to conduct, said election as by law and this Ordinance provided, and to canvass the votes given and cast at said special election, and to make and deliver returns thereof to said Board of Trustees; and it is further ordered that said Board of Trustees shall meet at their usual place of meeting on the first Monday after said special election and canvass said returns, and declare the result of said special election.

Section 5. The manner of voting for or against incurring said indebtedness shall be as follows, to-wit: a sufficient number of ballots shall be, and is hereby directed to be, prepared and caused to be printed upon the proper kind of paper used at general elections in said State by the Clerk of said Town and to be furnished and provided for the use of the voters at said special election, at the expense of said Town said ballots to have the following printed matter thereon, to-wit:

HELPFUL WORDS

From a Redwood City Citizen.

Is your back lame and painful?
Does it ache especially after exertion?
Is there a soreness in the kidney region?
These symptoms indicate weak kidneys;
Neglect may result in delay.
Weak kidneys fast get weaker.
Give your trouble prompt attention.
Doan's Kidney Pills act quickly.
They stengthen weak kindeys.
Read this Redwood City testimony.

Mrs. H. C. Wilder, 908 Arguello street, Redwood City, Cal., says: "After using Doan's Kidney Pills and receiving great benefit, I publicly endorsed them in July 1907. Now two and a half years later, I still hold this remedy in high esteem and strongly recommend it to anyone suffering from backache or other symptoms of kidney trouble. One of my relatives has used Doan's Kidney Pills and praises them just as highly as I do. I procured Doan's Kidney Pills at P. A Ryan's Drug Store and shall be glad to give them a word of praise."

Tom Epperly and Fred McNulty have bought the blacksmithing and horseshoeing business of J. W. Wilson and will continue the business under the firm name of Epperly & McNulty. The new proprietors are so well and favorably known that their success is assured in advance.

SUMMONS.

In the Superior Court of the State of California in and for the County of San Mateo.

Sierra and San Francisco Power Company, a corporation, plaintiff, vs. Joseph Henry Poett Howard and Edgar W. McLellan, defendants.—No. 3554.

SUMMONS.

The People of the State of California Send Greeting to Joseph Henry Poett Howard and Edgar W. McLellan, defendants:

You are hereby required to appear in a special proceeding brought against you by the above named plaintiff, entitled in the Superior Court of the State of California in and for the County of San Mateo, and to answer the complaint filed therein, within ten days exclusive of the day of service after the service on you of this summons, if served within this county, or if served elsewhere, within thirty days.

And you are hereby notified that if you fail to appear and answer as aforesaid, the plaintiff will take judgment against you for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

Said action is brought to obtain a decree of condemnation pursuant to the provisions of Title Seven (7) Part Three (3) of the Code of Civil Procedure of the State of California. The names of the parties to such proceeding are as stated in the title to this summons.

The general description of the whole property as to which a decree of condemnation is asked is as follows:

A right of way for the purposes hereinafter stated, over the following described lands, viz:

Those certain pieces, parcels or tracts of land situate in said county of San Mateo, State of California, described as follows:

Lot 1-G as delineated on that certain map entitled Map No. 4, Bowie Estate, filed in the office of the County Recorder of San Mateo county on the 16th day of September, 1907, in Map Book 2, at page 94; also

Lot No. 4 in Block No. 76, as delineated on that certain map entitled Map No. 3, Bowie Estate, filed in the office of the County Recorder of San Mateo county, September 16, 1907, in Book 2 of Maps, page 93.

The public use for which condemnation of said land is sought is the construction, operation and maintenance of an electric power line for the transmission of electric current of power, said power line to be constructed, operated and maintained by plaintiff from a point in Section Six (6), Township Three (3) North, Range Fifteen (15) East, county of Tuolumne, State of California, to the city and county of San Francisco, State of California. The complaint herein is hereby referred to for a more particular description of the respective parcels of land.

You are hereby notified to appear and show cause why the property described should not be condemned, as prayed for in the complaint.

Witness my hand and the seal of said Superior Court of the County of San Mateo, State of California, this 13th day of October, 1909.
